BATTLE CLASH 1999

Interview with Death In Burning Flesh Just when you thought the sacrifices were over, here comes Black Rain as promised to do another sacrifice. They are led by Black Rain. Black Rain takes a microphone. Black Rain: Who will it be? Well, let's take a look. Whoever DOESN'T come out..is the sacrifice!

First comes Thrall, the Lightweight Champion. Then Unholy Priest Gabriel. Following was Grim Reaper. Fourth came Death Incarnate. Only two left, who will it be? Out comes Death Angel!

Black Rain: Without any further ado, bring out...the mortal!

Then down from the entrance comes a huge druid with a veil concealing his face wheeling a casket to the ring as a cross is lowered from the ceiling. He stops wheeling at the foot of the ring, opens the casket, and takes out a bound a bound and gagged Malus. The huge druid unties the ropes around his hands and legs and any attempts to get away are put to rest as Death Incarnate clocks him and the Soul Slayers quickly grab and hold his body in a crucifix. The druid then reaches into a punch and pulls out a wooden stake and mallet. The druid nails the stake into his hand! Then he takes out another one and does it again! Then he does the same thing to his feet! Malus is screaming so hard it echoes throughout the whole building. The terror on his face is immense.

Black Rain; No normally the sacrificer would be myself or GrimReaper. But as you can see, neither of us has our instrument of destruction. We've decided...that the sacrifier will be doing it as an initiation!"

Suddenly out of nowhere the huge druid who was just standing there jabs his hand straight into Malus' chest! He tears out his heart as Malus' head falls and his body is now dead weight! The druid pulls off his cloak and veil to reveal a masked face and rippled body. He screams and pounds on his chest. He then pulls up his mask over his mouth and eats the heart! He pulls the mask back down over his mouth.

Black Rain: Welcome...Death Warrior!

"Burn in Hell" by

Merciful Fate plays as they leave.

Andre The Giant, Giant

Battle Clash: 1999

Gonzales, Medusa, Hogarth,
Dominion, Miss
Madness,

Jolly Jigglers vs. Mini Me Punishment Match Mini Me

first comes down to the ring not knowing what to expect from the Giants. Mini Me gets to the ring and requests a mic. The ring answer refuses and doesn't give him a mic. This made Mini Me extremely upset. Mini Me turns bright red! Mini Me yells to the crowd "Don't hate me because I am a midget!"

Then The Giants music starts and The Giants come down to the ring. Mini Me jumps out of the ring. Andre requests a mic. This time the announcer gives Andre a mic. Mini Me runs over to the announcer and asks the announcer "why didn't me give him a mic and that the you gave Andre one?"

Announcer: "Well your just a midget and nobody likes you and you are a little piss head. Andre is a talented wrestler and he is about 2 feet taller than me and to be honest I am afraid of him!"

Andre: "Mini Me get your little ass in this ring right now! Now Mini Me you know that we aren't going to do anything to you right?"

Mini Me: "I don't know what to think anymore."

Andre: Well you know that everybody is into hardcore matches so how about we make this a hardcore match so that the Giants and you can get points and move up in the hardcore division?" Mini Me: "ya sure okay then let's make it a hardcore match." (Rocky whispers something into Andre's ear and Andre hands Rocky the mic.) Rocky: Mini Me I got something to say to you. (Mini Me is looking at the crowd and ignoring Rocky) (Rocky gets mad and starts to go crazy) Rocky: "Mini Me look at me when I am talking to you boy!" (Mini Me turns around) When Mini Me turned around Rocky gave Mini Me the TKO and Mini Me fell like a rock. (All the Giants are cheering!) Andre grabs the mic.

"Thanks Rocky I've been trying to do that for months now. Now I don't feel so bad about hitting my own teammate."

Andre picked up Mini Me with hand off the ground and with the mic in the other hand Andre lifts Mini Me 10 feet in the air and slams him down with the choke slam to hell. Andre: "Mini Me know you know the rest... of the story! So from now on Mini Me is a loner. You are no longer a member of the Giants and now you will fall to the Giants."

Ding Ding Ding. Now on with the match. What a match dominated by the Giants this was a brutal street fight! Hogarth and Gozolies are teaming up on Mini Me and are throwing into the corners and choking Mini Me. Medusa grabbed Mini Me and threw him outside the ring. Rocky then picked up Mini Me and threw Mini Me through the barricade. Wow Rocky threw Mini Me so hard the barricade broke. Miss Madness grabbed Mini Me and is pulling him by his afro and is threw him into the metal guard rail and Hogarth picked up Mini Me and is pulling him outside the crowd into the bar. Gozolies grabbed a glass of beer and threw it in the eyes.

Battle Clash: 1999

Mini Me is blind he can't see! Horgarth picked up Mini Me and is going to choke slam him and Hogarth is slamming him. OH MY GOD! Hogarth just choke slammed Mini Me threw the counter of the bar! Gozolies picked up Mini Me and body slammed him onto the floor. My The Giants are going to stop and have a drink. After about 4 minutes Rocky picked up Mini Me and is taking him outside the stadium and onto the street. Now all The Giants grabbed Mini Me and they are going to through him into a car (if you were wondering the car was a '99 Ford Mustang)

My the car didn't even get a dent. The Giants seem to be having a meeting about what to do with Mini Me next. The Giants have decided to take Mini Me back to the ring and finish him off. Andre has Mini Me by the hair and is dragging Mini Me back into the stadium and back to the ring. Mini Me is back in the ring and so are the Giants. First Medusa grabs Mini Me and pulls him to the middle of the ring and is going to put the Boston crab on him. Andre is telling Medusa to get off the rest of them can have a turn. Next Miss Madness grabbed Mini Me and she is putting him in a figure four leg lock. Andre is handing the ref a ten dollar bill to let this match continue until Andre says and the ref is shaking his head and saying ya ok. Andre then hands the money to the ref. Next is Rocky, Rocky stands Mini Me up and Rocky gave Mini Me the TKO

again! Hogarth picked up Mini Me and is going to choke slam Mini Me again! This time onto the ring. Giant Gozolies picked up Mini Me and is going to choke slam Mini Me. Boy Mini Me must be almost unconscious. Or in a coma. Wow and last but not least here is Andre going up and is going to choke slam Mini Me. Mini Me is on his way down. Wow Mini Me went threw the ring Mini Me is on the floor in the middle of the ring. Andre has just realized what he has done. Andre is cheering in amazement. Andre is telling Hogarth to take Mini Me out of the hole and pin him. Andre tells the ref to count. The ref counts 1-2-3. Here are your winners The Giants Andre grabs a mic and says "Mini Me that is what happens when you mess with the Giants"

Andre drops the mic and the Giants head back to the dressing room laughing.

Darren came down to the aisle with a mic in his hand, as he cuts off Half-Life. The Owner, Darren: "I'll make this short and sweet, HALF-LIFE... YOU ARE FIRED!!!"

Half-Life goes running at Darren yelling "You

Can't do this, I am to

Steve Austin, Kane and The

Rock! They attacked Half-Life and Cho'Gall started battling with Kane and The Rock! The Officials had to come and break it up. Thor vs. Apocalypse Falls Count Anywhere // Non-Interference // B-R-A-W-L The lights dimmed a bit as a HUGE BOLT struck down, and ALLIED POWERS member THOR made his way towards the ring! Following that, the arena grew black, as an Druid Chant began. Suddenly, a HUGE flaming HELL STAR appeared above the ring and the of HELL'S MINISTERY, APOCALYPSE, made his way towards the ring!

As soon as Apocalypse entered the ring, Thor began to attack him with hard right hands. Not long after that, Apocalypse began to counter them, as he took Thor down with a Clothes line!

Soon after that, Apocalypse picked him up, threw him to the ropes, but Thor dodged the Clothes line, ran to the other side, and WHAM! Smashed Apocalypse with a Hard flying Clothes line! Apocalypse though, didn't FALL! Thor then began to swing move right fists, as he went in for a Grapple, and Clothes lined Apocalypse over the top! Apocalypse landed on his feet, as he grabbed Thor's and pulled him over. From there, he yanked Thor outside the ring, and began to throw punches!

Not long after that, Thor attempted to throw Apocalypse to the Protective

Railing, when Apocalypse reversed it, and Thor nailed his Lower back, possibly injuring it!

Then, Apocalypse followed up with a Hard

Splash, and then picked

Thor up, High above

him, and threw him into the crowd! Once Apocalypse and Thor were in the crowd, both super stars began a SLUG FEST! It went on for almost 30 seconds, when Thor blocked Apocalypse's swing, and gave a quick counter!

From there, Thor began to

win, as they fought up the stairs, and into the back!

Once at the back, Apocalypse banged Thor into a door, cracking it!

From there, Thor began to

win, as he threw Apocalypse into a Popcorn Machine! SMASH! Apocalypse hit it hard, and Glass and Hot butter flew everywhere!

Battle Clash: 1999

From that, Thor gained a Great advantage! He went for the First pin of the match ... 1-2- ... Apocalypse kicked out with good time to spare! From that, Thor brought up

Apocalypse, as he threw him at, and Through a door! They ended up in someone's Locker Room! As they fought each other, they Trashed the room, and then battled out! Not long after that, they headed for some other locker room!

This time, Apocalypse threw Thor through the door, and in this locker room, was Team S.H.I.E.L.D.! They all began to fight both men, but once Thor & Apocalypse left the locker area, Team S.H.I.E.L.D. stayed back, all except GW Bridge! Apocalypse shoved Thor back towards that direction, and as Thor began to move away, WHAM! GW Bridge gave Thor the GW DROP!

From there, Apocalypse chucked Thor into a Brick Wall, and then went for a cover ... 1-2- .. Thor kicked out!

At that point, Apocalypse began to take control of the match, as they headed for the stairs!

Once there, Thor tried to counter

Apocalypse, but was too tired from GW Bridge! But, as Apocalypse stood over Thor, Thor quickly gave Apocalypse a Fireman's carry, which sent Apocalypse down the Flight of 12 steps! Once Thor made it to the bottom, he went for another cover ... 1-2- ... Apocalypse kicked out!

After that, Thor had the control, as both wrestlers began to head for the outside! BOOF! Thor ran Apocalypse threw the doors leading to the outside as 100's of fans began to cheer right in front of them! Thor & Apocalypse then began to Battle in the Parking Lot! SMASH! Thor rammed Apocalypse's hand through a Wind Shield! Then, he ripped off the side mirror, and Struck Apocalypse on the forehead with it!

When Apocalypse hit the ground, Thor went for another pin ...

1-2- ... Still Apocalypse kicked out! From that point, both wrestlers began to seem slower and looked more & more exhausted! WHAM! Apocalypse shoved Thor back, as his back struck a Truck!

Once again, Thor

re-placed his hand over his injured lower back!

Not long after that, Apocalypse threw Thor into a couple more

Vehicles, and went for a cover ... 1-2- ...

STILL, Thor managed to find enough energy to kick out! Eventually, the crowd began to chant ...

"THOR! THOR! THOR! ..."

At that point, Thor began to fight

back, as the adrenaline began to Pump!

From there, Both Thor

& Apocalypse headed back into the arena! They began to fight again in the back! Thor, who still had some advantage, hip-tossed Apocalypse over, as he set up a Table! Once the Table was set, he got Apocalypse up, and went to do a Power Bomb! He tried to lift Apocalypse once ... Apocalypse forced back! He tried aging

Battle Clash: 1999

... STILL Apocalypse had too much energy!

But on the Third one, Thor almost got Apocalypse

up, but then Apocalypse swung him back down! Thor, on the other hand, swung over him, got him up again quickly, and POWER BOMB! SMASH!! Apocalypse crashed HARD down to the bottom of the Table, and hit the Cement Pavement! Thor dropped, as he was too tired to get up! But, about 5 seconds later, he got up, leaned over towards Apocalypse, laid a hand across Apocalypse's chest, and covered ... 1-2- ...

APOCALYPSE KICKED OUT! Thor was DEVISTATED & SHOCKED! He began to argue with the referee, but then quickly realized that That will Not help much! He got Apocalypse up, as they headed towards ringside area! Once they came down the aisle, the crowd ROARDED! That seemed to give Thor more Confidence as he rolled Apocalypse into the ring, stood on the top, and cheered! From there, he gave Apocalypse a Flying Elbow, and went for another pin ... 1-2 ...

AGAIN, Apocalypse kicked out!

From there, Thor began o get worried as ...

BOOM!! The HELL STAR above the ring EXPLODED, as the arena lights shadowed dim, and Apocalypse raised right up! The crowd went dead quiet when they witness it, but then the lights went back to normal as Thor turned around Only for a Huge Surprise ... Apocalypse grabbed Thor by the Neck, held him high into the air, and CHOKE SLAM! The crowd began to chant for THOR again, as Apocalypse went for a cover, the cover that could END Thor's career ... 1 ... 2 ... THOR KICKED OUT!! The crowd, at this point were standing ABOVE their feet as they continued to watch ever BREATH TAKING Second! Thor now began to fight back with hard rights & lefts! Again, and again he seemed to take Apocalypse off balance! Then, as

Apocalypse looked dazed enough, Thor rolled outside the ring, pulled out a case, and brought it back into the ring! There, he attacked Apocalypse some more to make sure, as he then undid the combination, and opened it up! There, inside the case was his ENCHANTED HAMMER! As he pulled it out, it seemed to begin to Glow! Apocalypse was not beginning to get up, and was to turn around soon ... Thor did a Bow to the Hammer, and then Kissed it for Good Luck! Apocalypse turned and Thor Swung ... WHAP! Thor connected and Apocalypse hit the ground! As the crowd watched, and the Goosebumps raised through them, Thor went for a cover ...

1 ... 2 ... 3!!! HE GOT HIM!!! Ladies & Gentlemen, here is the Winner of the match, The

THOR! A Lightning Bolt struck at the same time as the Music! Thor raised him Hammed High into the air, and thanked ALL of his FANS! It seemed to be a VERY Emotional Time for him, as the rest of the ALLIED POWERS (Ryan Great & A-Jax) ran to the ring to CONGRATULATE Thor on his MAJOR Victory!

GHOST! He finally got it, after being in the DWF since it opened he won his first title today! But, now he has to face Fuel on Friday! Ericka Draven Vs. Chyna Vs. Shade Vs. Medusa Women's Championship - 4-Way Elimination All four of the wrestlers make their way out to the ring. The bell sounds and the match begins. Chyna hooks up with Ericka, while Shade and Medusa grapple. Wait, what's that? Something very small is running down the ramp to the ring and he's holding a hockey stick!

That can mean only one person, Mini

Me! The ref is watching Draven and Chyna locked up, but Mini Me jumps on to the ring apron and breaks the hockey stick over Medusa's back! Medusa is out cold. Shade takes this opportunity to put on the Shade Slam. The ref sees the pin...1...2...3. Medusa is eliminated! It doesn't look like Ericka or Chyna have noticed the elimination of Medusa. They are still locked up, but Chyna gains the upper hand and throws Ericka outside the ring. Ericka falls hard into the guard rail and looks bad. Chyna looks to go outside to follow up, but Shade jumps on Chyna's back! Shade smashes Chyna's face into the mat. Ericka looks like she is recovering a bit, as she rises to her feet. Seeing the other two going at it, she decides to wait outside until the ref notices her. The battle between Shade and Chyna continues. Shade throws Chyna to the ropes, but telegraphs her next maneuver and Chyna is able to counter it. Chyna follows up by giving Shade a power bomb! Shade is out! Chyna pins...1...2...3. Chyna thinks she has won the belt, but doesn't see Ericka from behind. She runs into the ring and walks all over Chyna. She throws Chyna around some more, and Chyna is obviously tired from the beating she has taken. She is lying on the ground, nearly unconscious. Ericka takes this time to set up for the DravenDriver! She picks Chyna up, and connects! 1...2...3! Your winner, and still champion, Ericka Draven! Undertaker Vs. Cho'Gall Heavy Weight Championship - Brawl This match was hella hardcore. The Undertaker and Cho'Gall really got it on! It started with the Undertaker executing a clothesline to Cho'Gall right when he came out. Undertaker really wants that heavyweight championship! He punches Cho'Gall continuously. But Cho'Gall shoves the Undertaker and gets up. Undertaker is pissed. But Cho'Gall then does a neck breaker. Still that didn't affect Undertaker as much. Undertaker then kicks Cho'Gall, but instead Cho'Gall grabs his leg, and kicks Undertaker..LOW BLOW! And that was one hella hard kick too. Undertaker is cussing but, Cho'Gall then uppercuts him into the face. Undertaker is bloody! His mouth is dripping blood and a small yellow object falls out. Looks like one of his teeth! This time undertaker has had it.....no one has ever knocked out teethes out of his mouth and he didn't expect the first person to do it would be Cho'Gall!!!! He runs straight out at Cho'Gall with his mouth dripping with blood. He goes for a strong lariat only to miss.
