Doom Fights '99 Darren Intro Darren comes down to the ring. He then takes the mic from the announcer.

Darren:

Welcome to the first ever Doom Fights. Ok, First we are going to have a coin toss for the Oddball matches. So, outcomes the Xtreme Xcellance, followed by SSS. They stay in opposite corners. Darren flips the coin in the air. SSS calls Tails... and it lands Heads. Darren: Ok, SuperStar, you fight Oddball first. Then the mystery man will fight Oddball last. Half-Life walks up to Darren and pushes him down for no reason and the Xtreme Xcellance walk away. Hardcore Holly Vs. Jason Brawler Hardcore Holly was first to come out, who came out with Crash Holly. Jason Brawler then came out holding his Stables belt and Peoples belt and accompanied by Hardcore Kid and HHH. Holly and Brawler have wanted to get it on for a while. It started off with a slugfest. Brawler knocked down Holly. He kicked him and went off the ropes and tried a leg drop but Holly countered by moving. Holly took control now, with various elbow drops and stomping on Brawler. Holly ran off the ropes while Brawler was getting up, Hardcore Kid and HHH tripped him up. Hardcore Holly fell on his face. The ref goes over to tell HCK and HHH to leave ringside. During all this Crash Holly slips in the ring. He taps Brawler on the shoulder, he turns around and Crash Holly hits him right in the face with brass knuckles. Crash slips out and Hardcore covers Brawler. The ref turns around after HHH and HCK left and counted 1--2--3. Here is your winner Hardcore Holly. Hardcore Kid and HHH come back and they brawl with the Hollies while Brawler is still on the ground. CornCob Casey Vs. Russian Rat Vs. BDLL 3 way elimination match This was a very stupid jobber match. These guys are horrible. BDLL tripped over himself as he was going against the ropes. When Russian Rat got up on the top rope he lost his balance and fell, and CornCob Casey was just weak. They started by having a grapple. CornCob Casey grappled with BDLL, he threw him down and he did the same with Russian Rat, he did that 4 times in a row till they both laid on the ground. Crowd chanting Boring, Boring, Boring!!! CornCob Casey pinned BDLL, the ref counts 1--2--Russian rat got up and broke it up. CornCob Casey started fighting Russian Rat, he body slammed him and Russian Rat couldn't get up. He didn't get up, BDLL got up after getting thrown down a few times. CornCob scoop slammed him, he wouldn't get up. After CornCob was showboating for a minute they both got up, when CornCob turned around they would double clothesline him. When CornCob turned around he saw these 2 weak jobbers running at him so he ducked, then ran off the ropes and did his own double clothesline to both of the them. They both fell down like a ton of bricks. CornCob just laid on both of them and the ref counted 1--2--3. Here

Doom Fights: 1999

is your winner, CornCob Casey. CornCob Casey takes a mic.

"I told everyone that I am the best jobber. I'm sure Big Daddy Long Legs and Russian Rat know now, they felt the Kernel of Doom!!!"

The Dragon then ran down to the ring with a Black bat and pummeled on Corn Cob. The Officials eventually stopped The Dragon, and Kernel's face was bleeding. Mike Hunter Vs. Jason Brawler Hardcore Match The lights go dim Hunter with fuel make there way down to the ring. Fuel is there so no one interferes. Its Jason's turn to make his way to the ring. Jason music begins where is he. Hunter starts talking to the ref. Jason runs through the crowd and attacks hunter from behind. Jason must not trust fuel on not interfering. Mike hunter recovers from the attack from behind. Hunter hits a rolling DDT. Hunter goes for the cover 1-2. NO Jason isn't done. Jason gets up starts hitting hunter then throws him into the ropes. Hunter gets hit with a clothesline. Hunter is down. Jason goes for the cover 1-2 NO Hunter is not done either. Jason picks up Mike Hunter and throws him to the ropes. Jason hooks on a sleeper. Mike Hunter eventually starts getting woozy, and tired. The ref picks up and drops Hunter's hand twice, but on the third one, Hunter finally gets out and gets pumped up. Mike Hunter throws some elbows, runs to the ropes and clotheslines Jason over! Mike Hunter picks up Jason, but Jason throws a head butt! Hunter's nose is bleeding The ref starts yelling at Jason, but Jason goes for the cover. 1--2-- Mike Hunter got his foot on the ropes. Jason is yelling at the ref. Mike Hunter slowly gets up, but then Hunter gets up, sneaks behind Jason low blows him. Then Hunter hits the Kidd Slam... BAMMM. Its all over 1-2-3. MIKE HUNTER WINS!!!! Fuel gets in the ring and congratulates Mike Hunter and helps him out. Katy Vs. Medusa Women's Championship This match started out pretty quick and Katy dominated the entire match. Katy was beating Medusa in and out of the ring and Medusa didn't even have a chance against Katy. Medusa started off by Clotheslined Katy over... she then climbs the ropes. Katy runs over, but Medusa jumps at Katy! Katy catches her and slams her down and pins...1...2...KICKOUT!!! Medusa shakes off the last blow and pokes Katy in the eye. Medusa was thrown into the ropes and Katy did a flying clothesline and sent Medusa through the ropes. Medusa was outside the ring and she knew was going to have a hard time beating Katy all by herself so Medusa went over to the security guard and grabbed his walkie talkie and called Hogarth and told him to come down so he could help her win the match and retain her title. So Hogarth made his way down to the ring and jumped onto the apron and Medusa grabbed a chair. Katy seen what was happening so before Medusa could get in the ring Katy ran into the ropes and knocked Hogarth off the apron and Katy did a baseball slide under the bottom rope and kicked the chair into Medusa's head and Medusa fell like a rock and Medusa wasn't able to get up and Katy had to pick Medusa up and threw her into the ring. Katy jumped into the ring and picked up Medusa into a fireman's carry and Katy ran to the corner and did a flip and sent Medusa into the corner. WOW what a move how did she ever come up with a move like that? Medusa must be just about dead or unconscious after that move. Medusa flew into the crowd after that move. Hogarth went to help Medusa up and brought Medusa back to the ring. Medusa crawled back into the ring and Katy picked her up and drop kicked her. Medusa dropped and Katy put a Boston crab on Medusa Katy is going to win the Women's championship by beating Medusas with her own finishing move.! The ref is looking at Medusa and it looks like she is unconscious so he calls for the bell and Here is your new Women's Champion Katy. Hardcore Holly Vs. Oddball US Championship First comes out Hardcore Holly, with a scale might I add. He sets the scale down by ringside, and waits in the ring for Oddball. Finally Oddball comes down to the ring with Half-Life and Cho'Gall. He has the US title high in the air, all three seem to be laughing on the way down from the entrance. I think Holly wishes he had Crash

Doom Fights: 1999

with him, but Holly had confidence he could do it on his own. The bell sounds and Hardcore Holly and Oddball just stare at each other..nobody moves for awhile, then they rush to grapple. Between the two, nobody seems to get the upper hand...they finally break away and Oddball knocks Holly down with a clothesline within a few seconds. But Holly seems to be very determined in this match. Holly get's up right away and performs a rolling' DDT on Oddball. He gets up right away too! Brawling begins and Holly throws Oddball out of the ring, he goes right after him, not wasting any time. The ref is yelling at both of them to get back in the ring. Oddball get's a good hold on Holly and slams his head right into the railing. Half Life and Cho'Gall get on the ropes to argue with the Ref....Oddball goes back to throw more punches at Holly...LOW BLOW!!! Holly gave Oddball a Low Blow!!! Look's like he is in pain!! Hardcore Holly regains some power and advantage in this match and whips him right into the scale!! The ref isn't seeing any of this, and when Half-Life and Cho'Gall see what they were doing didn't help at the moment, they backed off and continued to watch the match. Holly got back into the ring and the ref started the count...10...9...8....Half-Life walked over and rolled Oddball back into the ring...Holly began to talk trash to Oddball while he was down on the mat, he was hoping for a good response, but Oddball just said "Go to Hell". That pissed Holly off and he power bombed Oddball in the center of the ring...Hardcore Holly goes for the pin...1..2... But Wait, the Ref is arguing with Half-Life again!! Cho'Gall goes around to the other side, rushes into the ring, and when Holly wasn't looking, he slammed him over the head with a bat which cracked into two pieces..Cho'gall put Oddball over Holly and the ref finally stopped the fighting with the Commish Half-Life. The ref pins ...1..2...3...Your Winner and still US Champion....Oddball! The 2 members of the stable get in the ring to continue beating on Holly..but from the crowd comes..... The Dead Pool?? Mike Hunter and Fuel jump over the railing and clear the ring leaving Hardcore Holly slowly getting up. Oddball, Half-Life and Cho'Gall made it up the ramp and are cursing at the Dead Pool a lot. Hunter and Fuel raise Holly's arms up in the air showing he was the "real winner". Mike Hunter grabs a mic..."Here is the newest member of the most powerful stable today, Hardcore Holly!"

The crowd goes nuts and the three members head into the crowd once again... Chris Jericho Vs.
