An Introduction, of sorts

"

jimmyriley" It's a Dreamwrestling.com exclusive! It's backstage! It's...oh.

"You know, it's been four years since I made my first appearance in a wrestling ring. Seems like an eternity. But I had a match, it wasn't great, and I won. Tonight, however, the cycle starts all over again. So...I guess we need to be introduced."

The man on camera grins. It's not sadistic, it's not even really evil...but it's certainly nothing good.

"My name is Jimmy Riley. Sure, some of you have heard it before, and a lot of you haven't. But right now, the only thing on my mind is the match I've got coming up. Now, the only thing on my mind is that a week ago, I was selling cars!"

He looks slightly off right, at something or someone behind the camera.

"You shut your mouth, I'm talking here."

Focus back on the camera, and now he's looking more comfortable. Jimmy Riley smirks before continuing.

"It's not a fun job. It's not something I saw myself doing. So when I got the call, the call that said, 'Come to Vegas, Jimmy, we've got a match for you!' You best believe that I hopped on the first flight out of Cleveland! So here I am, Las

Vegas, first night on the job, and I'm facing..." A confused look crosses the face of Jimmy. He pauses, looking around before continuing.

"...I think he's called Force? I don't know, someone I just got told about. Anyone got any info on this guy?"

Coincidentally enough, a piece of paper gets offered to Jimmy from off-left, which he quickly grabs, mumbling to himself as he scans the sheet.

"Let's see...Running Bear?...twenty-three...Arizona U...NFL, nice...alright, I guess that works."

He tosses the sheet off-right, and looks back at the camera.

"Listen, Force. I get it, you're the homegrown, you're the blue chipper, you're the guy DREAM wants to hook their wagon to and make a star. Have I pegged you yet? Athlete? Solid look, decent talent? That's nice."

Riley shakes his head, an almost bored look on his face.

"Unfortunately, you've got a problem on your hands. And look, I'm sure you've got enough problems as it is; that's a lot of pressure! But the first problem in your way this Monday? It's me."

Uh-oh. Serious face time.

"I've spent a year outside of a wrestling ring, and I'm not about to let this chance pass me up. See, I used to think I was the top dog, the..\"Star of the Show.\""

I've been in the dumps for a year, I've been working my way back for a year, and tonight? Monday Night Slaughter, DREAM Wrestling Federation? Tonight I start over. And on Tuesday when you wake up?" Riley sneers, ever so slightly, as he glares into the camera.

"You'll realize that the night before wasn't a nightmare. It was just...me."

Force vs. Jimmy Riley

"

jimmyriley"

A veteran in the ring, Jimmy Riley made his debut to the live fans excitement going against the relatively green, Force. Force blotch a second rope move to all but give the match to Riley. However, he was able to kick out at three.

In the end, Force was able to roll Riley up in a school boy for the win.

eGG Bandits vs. Brothers of Prophecy

"

eggbandits" Both teams came out to a very positive crowd reaction, but the eGG Bandits got the overall biggest pop. Once in the ring, the Brothers of Prophecy put on a standard showing but where no match to the champions who would retain after a super kick from Cancer Jiles to Billy Wilson.
