The camera comes on with a closeup of the TCW logo .. as the camera fades back Gord Perry and Tom Ripetto are sitting at a desk with the TCW logo behind them .. Perry is talking to Ripetto and shaing his finger at him as the TCW broadcast begins ...

Gord:

Hello and welcome to the TCW Thursday spotlight .. earlier today in Savannah, TN the Hardin County High School Gym hosted our TCW Thursday.

Tom: And the gym was full of fans cheering for their favourite TCW stars ..

Gord: Right , what a day of action we had it saw a Mid South Title match , the TCW Television Title was defended as well as a few surprises.

Tom: You must mean X ..

Gord: Shut up Tom ... wht are you trying to do .. anyway folks our first bout was vetren

Frank

"The Postman"

Letters squaring off agaisnt MT former TWA Texas Heavyweight Champion Fritz Schmidt , lets roll the film.

Frank Letter is all over Schmidt .. Joey Carteris is trying to pull him off and Letters just tossed Carteris over the ropes .. he has Schmidt up ... powerslam and Letters has his mailbag .. Schmiodt to his feet .. SLAM !

The mailbag over the head and Schmidt is down .. Frank slips outside and grabs a chair .. he tosses it on Fritz and slpah onto the chair .. Cateris is on his feet and sliding into the ring .. he stands and Letters grabs him and DDT ! Carteris is out and the security is in the ring .. Letters has Schmidt .. FIGURE FOUR ! he locked i nthe figure four leglock and Fritz is submiting but no ! Letters has been DQ'ed .. he is not letting got of the hold ... security is trying but Letters is delivering a few lifets and rights from the prone postion ...

Gord: Well there you have it folks .. Frank Letters is DQ'ed and Fritz Schmidt got the win .. but not before that SOB darn near crippled him ... Fritz was taken to hospital and treated for a torn muscle in his leg from the figure four placed on him by Frank Letters.

Tom: Well it looks like Frtiz may have got the win but he ended up a loser in the end.

Gord: Listen Tom .. Schmidt is a true champion and if yo uever call him a loser again I will take you out back and slap some sense into you.

Tom: Err.. ya .. ok ... anyway .. our next match is a preview for Sunday's weapons match for the TCW TV Title .. we had Symbol squaring off against Hans Schmidt.

Gord: I am not even going to roll the clip for that one .. Symbol demolished the German .. he is second rate compared to Frtiz anyways .. but all that aside Symbol took Hans out in 2:21 and didn't even break into a sweat .. Venom may be in trouble Sunday the way things looked today.

Tom: And what happened next this after noon was .. well almost inhumain ..

Gord: Inhumain ? no way the sonova B deserved it ... well lets roll it and we can show ya what we mean ... broadcast colleagues John Ward and Dan McKnight we on hand ..

John Ward: There's Ric Justus stalking the hallways! Whats he looking for? He just kicked in the door of the TXO dressing room! Theres Barry Savage!

Savage:What the h...

Dan:The Heartbreaker Ric Justus has just attacked Barry Savage! He's beating him with ,what is that? It looks like a piece of the cage that fell in on the two aweek or so ago! Oh my! Justus has just opened a cut on the forehead of the Texas Outlaw! Now He's pulling something from His back pocket,handcuffs,the man has brought out a pair of handcuffs! He's locking Savage up to the drain pipe of the sink in the room! What's He doing now?

John:He's left the room! No here He comes back,whats that in His hand? A branding Iron?Yes folks that's what it is...MERCY!! The Heartbreaker Ric Justus has just branded the back of Barry Savage! A big broken heart burned into the skin of the Texas Outlaw!

Dan: What's Justus doing now? Oh no...A steel chair....He's beating the Outlaw repeatedly! Here comes JJ Pierce and Havok... Hex.. Colt Steele and Steve Akers... Justus is now in the wrong part of town!!

John: Justus is swinging that branding iron, moving towards the front door.. Security just barged in... along with several police officers! Justus uses them as a shield and breaks away, into the hall! Savage is up and cursing.. The TXO wants Justus but security has formed a human barricade! Ric Justus refuses to let this end.... This feud is still red hot....

Dan: After 18 months, this thing has still not ended... What a wild, wild feud!

Gord: I tell ya Savage has been needing that for a while now but did that deter him ..

Tom: heck no ... lets rol lthat second

Piece of tape .. it happened during the Tulip Givens Moe Howard match .. which incidently ended in a no contest for reason we are about to see ..

Tulip has Howard in an arm bar when hitting the ring chair in hand is Barry Savage and he is red hot .. he grabs Givens and Texas Tornado .. dropping Givens on his head .. Howard looks up and gets a kick to the gut and another Tornado .. Savage is irrate as he grabs Givens and piledriver onto the chair ... Howard slips out of the ring and is met by Colt Steele who tosses him back in over the top rope from the floor .. in the ring Savage has Givens on the mat and is laying in severla rights to his forehead that appears to be split open .. the Broken Heart is clearly seen o nthe back of Savage ... JJ Pierce hits the ring and Havok , Hexion and Steve Akers is with him .. Barry calls for Givens to be picked up and JJ hands Barry the TXO iron and Barry grins as he lays the TXO brand onto the chest of Tulip Givens ... barry calls for the mic as Colt and Akers finish off Howard and send him over the ropes

Savage: Justus this is far from over son .. you drop on me your "Broken Heart" .. well boy aren't you the cats ss .. yo uare dealing with the only man who can drop you on your head anytime he wishes to .. Justus I thought that we were done .. but son .. oh son you have awoke in me something that I have not felt in a long time .. HATE ! Ric dear old Ric October fallout will be your swan song ... I have never been wrong on a

prediction son and this is yours ... by October Fallout is the latest I will be the bearer of a SAVAGE END for the Heatbreaker .. and Justus will be served .. Ric you may have thought I was dangerous before .. now I am past dangerous ... watch your back son ...

Gord: And it continues .. these two will be the death of each other if they can help it.

Tom: I bet .. but onto more pressing matters .. lets talk about the EWA TCW situation if we can.

Gord: What situation Tom .. we are buying out the EWA and burying that dumb arse Toe in the process.

Tom: Isn't that Tow ? Jim Tow.

Gord: Toe , shmoe .. it don't matter , and our next match was proff in the pudding Tomas ... dear old Tojo Saito was seen talking to Jim Tow earlier before the show in the parking lot .. roll this one .. this one I like.

Tojo and Kilgore are trading lefts and rights as Don Haney appears at ringside .. he is talking to Saito .. from the crowd the Interrigator appears and Haney looks at him and smiles ... he points to the ring and 'Gator nods and hits the ring .. Saito is pearl harboured ! Referee Teddy Ball calls for the bell .. 'Gator is laying into Saito who looks like he may get the match by DQ .. security hits the ring .. it is Jim Moloney and Gord Perry .. they usher Kilgore out of the ring and turn and watch as 'Gator dismantles Saito

Tom: So what was that about why did you not break up the beating .. Saito got the win but also a ride to the ER.

Gord: what are you talking about Tom ... when we got into the ring 'Gator wa simply helping Tojo to his feet .. not our fault if he fell a couple of times .. I hear that happens when you talk to Toe ... its called getting clumsy.

Tom: So what you are saying is that TCW stars that are entertaining any EWA calls are going to have an accident ?

Gord: Hey now don't got putting words in my mouth Tommy boy ... I am just saying that maybe Toe is selling bad hooch from his warehouse thats all .. anyways .. in our next match Phil and Herb the Fabulous Wreenkle Brothers defeated the Tacos quite readily but they wer not ready for what happened afterwards and it was a Ton Of Fun if you know what I mean Tom.

Tom: Oh I know alright and .. well lets roll it and we shall see just how the celebration went afterwards.

Phil and Herb are in the ring celebrating following their defeat of The Tacos and Jobber and Elmer the ring .. Phil was slammed with the might girth of Jobber and Elmer grabbed Herb and simply fell on him and sat there for a good three minutes as Jobber held Phil in the corner crushing the smaller man with his ever expanding waist line ... security as well as a few fellow wrestlers came to the aid of Phil and Herb .. Elmer and Jobber waddled off sweating like it was 100 degrees out

Tom: Well that was more than nessesary .. Elmer and Jobber are over twice the size of any team in the TCW and maybe even three times the size of Phil and Herb.

Gord: yea I know but man aren't they great .. I lover those two they are real men ... and speaking of real men . .the Interrigator took on Big Boy Bell and this one was over before it started .. Big Boy was pinned in just 45 seconds ... but follwing the match this happened ...

Gator is in the ring after his handy defeat of Bell and from behind mr X hits the ring and slams a chair into the head of Interrigator ... 'Gator in down and X is standing over the fallen body of 'Gator .. he drops the chair on his head and he flexes ... he then takes off the mask .. IT IS SLIVER EAGLE !! Former TWF Superstar Silver Eagle has reveald himself as Mr X and has just clobbered Interrigator

Tom: Unbelievable seeing Silver eagle in the TCW ...

Gord: Yea great .. he layed out 'Gator .. when 'Gator gets his bearings Eagle will be walking with daisy's.

Tom: You never know but one thing is for sure that 'Gator will get even he is a force to not be taken lightly.

Gord: Speaking of forces NOT to be taken lightly we saw Lobo & Odin take on the Germans and I tell you

the champs get even more brutal with age ... simply destroyed the Germans this time around but the one surprise if ya can call it that was that Fritz was unable to compete due to the sever beating that he recieved by Letters at the beginning of the broadcast and Karl was on hand to tag with Hans .. but Karl not being really ready for a match was at a handicapp and the champs exploited it for the win.

Tom: Lobo & Odin defeating the Germans was not really an upset but our next one can be counted as one .. we saw Panther take on Hardcore Hex for the right to meet Ric Justus for the Extreme Title Sunday in a bring your own weapons graveyard match .. and what happened was .. well lets go and take a look .. roll the clip...

Panther is locked up with Hex .. wait who is that .. Ric Justus has just appeared at the edge of the graveyard in the parking lot .. he stops and looks on .. Panther tosses Hex back and walks over and looks at Justus .. he cacks his knuckles and points his finger in the face of Justus .. from behind Hexion is on his feet and he has grabbed something from the ground .. he walks up behind Panther and Panther turns around .. BAM ! Hexion slams what appears to be an urn into the head of Panther .. he falls to the ground .. Hex grins at Justus and grabs Panther .. he positions him over a grave .. he points to Justus .. he grabs Panther .. **HARDCORE PLUNGE** .. the devastating powerbomb into a tombstone ! Hex covers .. 1 .. 2 .. 3 ! Hx has defeated Panther for the right to meet Ric Justus for the Extreme Title Sunday !

Gord: And there we have it another member of the TXO gets a title shot agaist Ric Justus .. I tell ya its a ploy to destroy the Heartbreaker and I am not going to lay down and watch it happen.

Tom: So what are you going to do .. dress in drag and do the hula ? Gord: Stop watching kids shows Tom ... I am going to ... well I am not to sure but you can bet I am going to do something.

Tom: Ok big man we will sit back and watch your dust.

Gord:

Watch it Tom .. I am still part owner in this work horse and I can still fire your smart ss out of here .. so lets get to the nights last match .. it was a slobber knocker if we had ever had one .. I mean seeing the Doc and Savage in the ring brings back all of the old TWF spirit .. both men pulled out all of the stops .. enema bags from Savage and branding irons and brass knuckles from Savage .. it had it all so lets take you to the closing moments of the match.

Midnight and Savage are trading blows .. lefts and rights and a boot by Midnight .. throw to the ropes .. and drop kick that sends Savage to the mat .. and here they come .. from the back walks the TXO .. Colt Steele , JJ Pierce and Havok ... they saunter to ringside as the Doc and Barry are locked in mortal combat .. Midnight is on top of Barry and is giving him multiple rigths to the face

”

Colt Steele reaches up and pulls Midnight off of Savage .. from the ramp comes Y2K and he is locked up with Colt Steele , JJ grabs

Y2K and from the crowd comes Dickie Wreenkle ! Wreenkle has arrived in TCW ! He grabs JJ and slams huis head into the ringpost and Pierce goes down .. in the ring Midnight stands up and is looking on the outside .. from the runway Ric Justus has hit the ring ... Havok slides into the ring and locks up with Midnight .. Justus has Savage up .. he is in the rack ,, **SCALES OF JUSTUS** ! Mike Hinson is calling for the bell ... Hexion hits the ring and makes the save for Savage ... man what a mess !

Gord:

And there you have it boys and girls .. Barry Savage ends up o nthe shirt end of the stick .. official decision is a double DQ , The TXO got a sample of what the dish out as Aeon Flux got some help from Dickie Wreenkle and Ric Justus .. well Tom we are out of time ..
